Payment for Deficit Funding

With regard to inter-district transfer permits agreed upon between the SELPA member school districts, the district of residence for a special education student shall pay the deficit funding expense. The district of attendance shall receive from the district of residence 100 percent of the cost of the deficit funding.

Deficit expenses include, but may not be limited to, any of the following:

- *Special Day Class;*
- *Applied Behavior Analysis (ABA) services, including supervision;*
- *Direct Board Certified Behavior Analyst (BCBC) services beyond assessment;*
and
- *As needed related services per Student's IEP.*
